## PRETRIAL ORDER #22

On Friday, April 24, 2020, plaintiffs filed a motion to compel and a notice of hearing for May 1, 2020. (Docket nos. 412, 415). As the court previously discussed with counsel, while in general non-dispositive motions can be briefed and heard on an expedited basis, non-dispositive motions concerning more complicated issues would not be heard on an expedited basis in order to give the parties and the court sufficient time to brief and consider the issues involved. After a preliminary review of this motion to compel, the court believes this motion should not be heard on an expedited basis. Accordingly, it is hereby

ORDERED that the opposition to this motion to compel shall be due by 5:00 p.m. on Friday, May 1, 2020 and any reply filed by 5:00 p.m. on Tuesday, May 5, 2020. If necessary, the court will contact the parties following a review of the pleadings to arrange for a hearing through remote means that would be held on Friday, May 8, 2020 at a time to be determined.

Entered this 24th day of April, 2020.
